## **WE ARE PRO BORDERS**

# Providing Client-Focused Construction Solutions

Pro Borders Limited, is a multi-disciplinary civil engineering and construction company with proven capabilities over a wide range of different technical fields in the Civil Engineering and Building Works industries, respectively. Over the years, we have helped create, connect and care for the roads, bridges and buildings that bring people and communities together.

We provide high-quality, reliable and unrivalled infrastructural solutions to governmental establishments and hold extensive experience and expertise with commercial clients alike.

Dedicated to service excellence, we utilise innovation, safety and integrity to change and improve the way projects are designed, managed and executed.

## VISION AND BRAND PROMISE

At Pro Borders we believe in continuing to innovate and develop solutions that deliver roads of the highest quality, are more environmentally cautious and last longer.

### OUR VISION

We are committed to achieving extraordinary results for our customers, building satisfying careers for our people, and earning a fair return on the value we deliver.

### OUR MISSION

Dedicated to providing quality construction products and services to our customers by maintaining the highest level of safety, integrity and innovation, while remaining environmentally responsible and fostering growth in our employees and communities.

## OUR STRATEGY

Our objective is to deliver optimal cost-effective solutions that fulfill the client's, engineer's and Local Authority's specifications and requirements expeditiously, and with complete legitimacy. Our success greatly depends on our proven capability to adapt to the unique, changing and challenging developmental needs of the region.

## HOW WE DO IT

# Creating New Values

Our clients and partners represent some of the largest and most established companies and government agencies in Kenya. Using our combined experience, technical expertise and local knowledge, we're able to deliver services and projects that contribute to our economy, the community and future generations.

## Our Core Values

### Innovation

We anticipate change to fit our purposes by recognising the faults within our industry, creating ethical, forward-thinking solutions to overcome them.

### Sustainability

Looking after our economy, the community and future generation. We strive to protect the environment by upholding effective and efficient environmental and sustainable practices as part of everyday business.

### Safety & Health

We are relentless in upholding a positive and proactive safety culture that keeps people safe from harm, providing a healthy work environment.

### Integrity

We do what we say, every time! We maintain the highest level of integrity in all our operations through ethical, open and professional communication with all our stakeholders.

# OUR POLICIES

## Occupational Health & Safety Policy

Pro Borders appreciates the benefits of an organisation with a 'safety conscious' attitude. We recognise that by maintaining a safe work environment will come, not only a minimisation of the risk of injury, but also improved productivity as the workforce is able to confidently focus on the job at hand.

Safety demands cooperation on everyone's part. Thus, it is important that communication be kept open at all times between the management and employees. Workers who notice hazards or other safety problems, or feel that they need additional training, must notify their supervisor. Supervisors and management must address these concerns and take corrective action when warranted.

## Environmental & Sustainability Policy

Pro Borders is committed to protecting the environment. We are committed to ensuring our operations are conducted in a manner that prevents pollution, preserves natural resources and conserves all heritages. We are focused on pursuing our corporate responsibility to minimise impact to land, water, air, flora and fauna.

We are committed to responding to the daily environmental challenges that we encounter in

our business and hope to contribute to the foundation of an environmentally sustainable future for our community and future generations. This policy shall be approved by top management, communicated and agreed to by all staff and subcontractors so that all persons working for or on behalf of Pro Borders are committed to environmental protection while going about their work.

## CENTRES OF EXCELLENCE

### Creating Access and Opportunity

Great infrastructure has the power to transform communities. Below is a list of the services that Pro Borders undertake throughout Kenya in General Civil Engineering, Construction, Mining and Roads works.
